Every student will be assigned a project topic in the third semester from their area of specialisation, and they will pursue it under the supervision of an internal supervisor. The students are required to interact with their supervisor regularly and prepare a project report. The tentative content of the project report is as follows:

1. Cover Page
2. Acknowledgement
3. Certificate from supervisor
4. Introduction
5. Literature Review
6. Research Methodology (Objective of the Research, Hypothesis, Research Design etc.)
7. Data Analysis
8. Findings
9. Conclusions
10. Recommendations
11. References
12. Appendices – to include questionnaire etc. (if any)

The student will submit a project report in the fourth semester as per the department/university's schedule for assessment. The student will submit two hardbound copies of the report, one softcopy in CD/DVD, along with the requisite fee. The project report shall be evaluated by both Internal and External Examiner. For external evaluation, Viva-voce will be conducted by the external examiner tentative before the start of the final semester practical examination.
